

# Join Spring Branch FFA Alumni Association!

## IMPORTANT:

Every student who plans to show a Livestock or Non-Livestock project at the Spring Branch FFA Show & Sale must have at least one parent or guardian join the SBFFA Alumni Association.

1. Use the QR code to the right or  
Navigate to: <https://www.sbffaalumni.com>

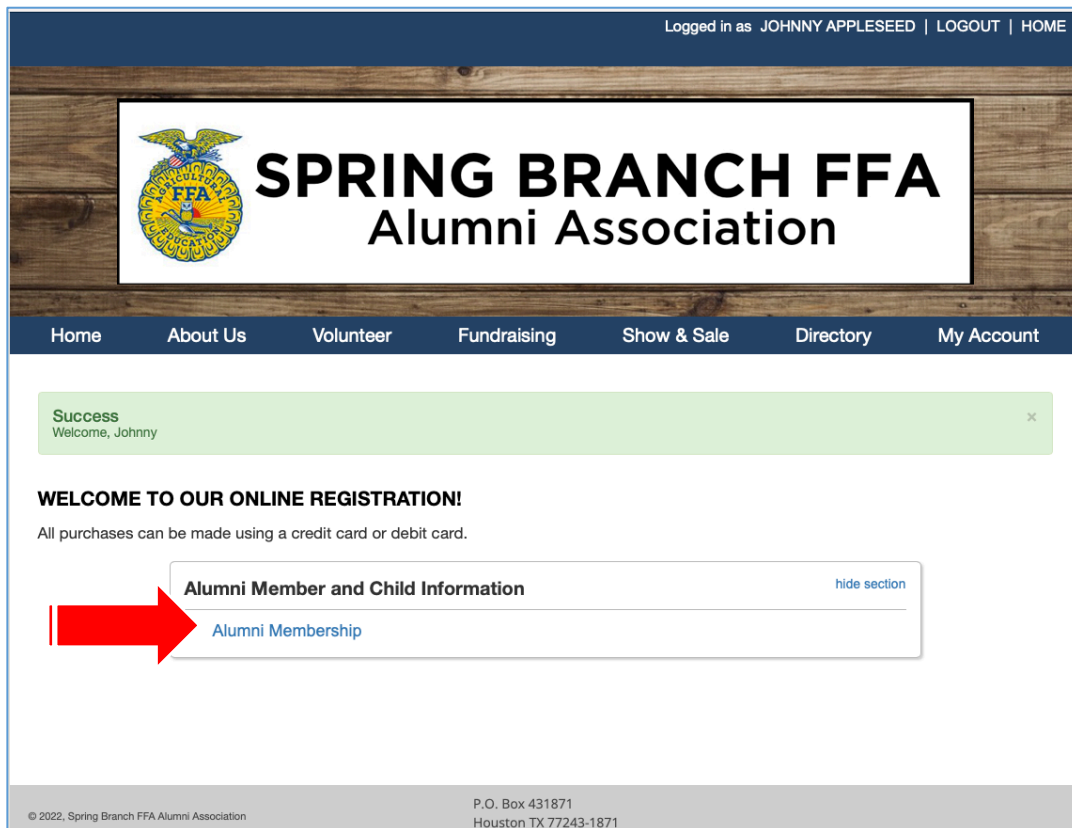

2. Click LOGIN in the top right corner of the screen.

LOGIN | HOME

3. If you are a New User? Select – Create Account – and create a Membership Toolkit account.
4. Next login for both New and Returning Users.
5. From the HOME page click “Join SBFFA Alumni Association” button

6. Click the “Alumni Membership” link to begin the registration process.

7. Enter the **Contact Information** for the PARENT(s) or GUARDIAN(s) that will be joining as an Alumni Member. When finished, click “**Next Step**.”

8. At the “**Children’s Information**” page, click “**Add Child**”.

9. Enter the information for your first FFA/Junior FFA student: Name, Age/Grade, School and FFA Projects.

If you have additional children who will participate in Spring Branch FFA, click “**I have another Child Information**” and enter their information.

10. Click “Save” when finished.

The screenshot shows a web form titled "Children's Information". At the top left is a button labeled "I have another Child Information". Below this is a section header "Active Children". Inside this section is a box titled "Child Information #1". At the top left of this box is a button labeled "Remove Child Information". Below this are four input fields: "First Name" (containing "Johnny"), "Last Name" (containing "Appleseed"), "Age" (a dropdown menu showing "9th"), and "What school do you attend?" (a dropdown menu showing "Stratford High School"). Below these fields is a section titled "What Projects are you participating in?" with five checkboxes: "Livestock" (checked), "Non-Livestock" (checked), "CDE/LDE" (unchecked), "Shooting Sports" (unchecked), and "Other" (unchecked). At the bottom of the form are three buttons: "< Previous Step" on the left, "I have another Child Information" in the center, and "Save" on the right. A large red arrow points from the right towards the "I have another Child Information" button, and another large red arrow points from the left towards the "Save" button.

11. At the “**Directory & Publish Preferences**” page, select whether you would like your information published in the Spring Branch FFA Alumni Membership Directory. This directory is available only to other Spring Branch FFA Alumni members (it is not publicly available without login), and you can control the specific pieces of information you would like to share.

Please consider having your information published in the directory. It can be super helpful to have contact information available for other students who are raising the same project as your child, and likewise for others to contact you.

The screenshot shows a web form titled "Directory & Publish Preferences". Below the title is a message: "This year our directory will be available to members online!". Below this is a section titled "Directory Information". Inside this section is a box containing the text: "Do you want your information published in the directory? If you select 'Yes' you will be asked to specify exactly what information you wish to publish." Below this text is a dropdown menu with "Yes" selected. A large red arrow points from the right towards this dropdown menu.

12. When you are finished with this registration step, you should see two green check marks next to the **Alumni Membership** and **Directory & Publish Preferences**. You can always come back to these pages to edit your profile.

General Volunteer Opportunities (2022-2023 School Year)

It takes an incredible amount of work and coordination to pull off the Alumni events throughout the year, and it is all done through the commitment of countless volunteers who give their time in both big and small ways.

Please review the brief descriptions of each volunteer area and indicate your preliminary interests. Your contact information will then be forwarded to the committee chair that is responsible for that activity and they will be in touch with you.

***Thanks for volunteering!***
